

Opening of Golf Club Storage

The Club is pleased to be opening up our Club storage service as of October 1, 2021. There are limited bag slots available which will be given out on a first-come first-served basis. Rentals will be offered on 6-month or 1-year packages. Those wishing to take up this service, please find the attached application form to be filled out in full and returned to the Club Concierge at The Shop in person or by email to clubconcierge@lagunanational.com.

Click [here](#) to view the application form.

Events Calendar

As COVID restrictions continue to slowly relax, you will have noticed that the Club has started to host the occasional corporate/charity golf event. In some cases, these events will be taking up a large number of flights for the morning or afternoon session on one of our golf courses. As such, we have set up an "Events Calendar" page on our website, which is located under the Members tab on the page. Please visit this page in order to see the date, course and session that will be affected. We hope this will help you in planning your future games and being able to select the available courses when logging in for the morning booking.

Tee Time Adjustment

Please note that due to some minor adjustments to the tee sheet, we are shifting the afternoon tee times forward by one slot on each golf course. The new time slots will now be as follows:

Masters: 12:08/12:09 to 14:08/14:09

Classic: 12:02/12:03 to 14:02/14:03
