

Dear Members,

As we continue to navigate through the enhanced safe management measures, we will adapt as and when necessary, to ensure the utmost safety and well-being of our members, including yourself, as well as our guests, staff and property. Please take note of the following updates, which would be implemented from May 19, 2021, until further notice.

## **GOLF COURSES AND LAGUNA PRACTICE ARE MANDATORY MASK FACILITIES**

While we would like to express our sincere appreciation to all Members who have embraced the new measures and complied with wearing masks at all times, we would also like to take this opportunity to add further clarity on what is acceptable for wearing masks and the enhanced enforcement that will be imposed on those who are not complying with the current rules.

### **Enhanced Enforcement**

The club wishes to inform all Members that there will be an adjustment to the actions taken on Members/guests who are found to be in violation of mask wearing directives:

- It is **MANDATORY** for all golfers to wear a mask at all times on the golf course, with the exception of times when you are actively putting food or drink in your mouth. Please mask down to bite/sip and then mask up. Smoking will be enforced the same way.
- **IMPORTANT: If a golfer is found to be not wearing a mask or wearing a mask incorrectly, THE ENTIRE FLIGHT will be removed from the golf course without any rain-check or refund. The flight may also be subjected to further disciplinary action including suspension from the property.**
- This is to ensure the health and care of all our customers and staff as we will not let the actions of a few to put everyone else at risk.

### **Acceptable way to wear a mask**

There is only one way to wear a mask – it must be on your face, covering both your mouth and nose at the same time. Those wearing a mask incorrectly will be treated the same as those not wearing a mask at all.

### Neck scarfs and gaiters are not allowed in place of masks

Please note that neck scarfs and gaiters are not allowed in place of masks on the golf course. Golfers may still wear them for sun protection, but you must ALSO be wearing a mask to comply with safe management measures. You will be asked to show that you are also wearing a mask, and if anyone is found to be not wearing a mask, you will be removed from the property.

### LIGHTNING WARNING – ABANDON PLAY

Please note that when a lightning warning comes into play, you must stop your game immediately and exit the property. There is no waiting anywhere on the property to return to your golf game. Please drive off the course and proceed to the lightning evacuation parking at the ground floor of the car park – remove your clubs and proceed directly to your car or to the lobby to wait for your taxi. Please maintain distancing at all times.

### HOURS OF OPERATION CHANGE

Please note that during this time of enhanced measures at the club, the following facilities will have adjusted hours of operation:

- GOLF BAG DROP: 6:30AM – 8:00PM
- THE SHOP: 6:30AM – 8:00PM
- GOLF CHANGING ROOMS (Toilets): 6:30AM – 8:00PM
