Singapore's Oil and Gas Industry Aces for Charity

(Singapore, 24 December 2014) Laguna National, together with 120 individuals representing Singapore's oil and gas industry raised a total of \$145,000 for six children's homes at the Singapore Oil & Gas Classic Children's Christmas Charity Golf Day 2014 held at Laguna National Golf & Country Club on 12 December 2014.

The event was sponsored by Greene's Energy Group Asia Pacific Pte Ltd and hosted on the Masters Course of Laguna National. Proceeds from the event went to six children's homes under The Children's Charities Association of Singapore (CCA), namely Association for Persons with Special Needs (APSN), Movement of the Intellectually Disabled of Singapore (MINDS), St. Andrew's Mission Hospital, The Singapore Association for the Deaf, Singapore Children's Society and Cerebral Palsy Alliance Singapore (CPAS).

"The inaugural Singapore Oil & Gas Classic Christmas Charity Golf Day was very successful. We managed to exceed the targeted amount of \$102,000 with fantastic support from each participant. It is definitely more than coming together for a corporate golf day; it is putting our money where our mouth is and doing our bit for these children and the community," said the organizing Chairman, Mr John Johnston.

Supporting the sentiments of Mr Johnston is Mr Kurt Kozakiewicz, a participant of the charity golf event whose stirring statement tugged open both heart and purse strings. During the auction, he compelled his fellow participants to give these children a Christmas they never had and to exercise the power in their hands to better the lives of the less fortunate within their reach.

Although aing a hole was the goal of the day with three golfing memberships up for grabs as hole-in-one prizes, lady luck did not smile on the anticipating golfers. The ultimate winners of the golf event were the thousands of beneficiaries under CCA as the unutilized hole-in-one prizes went into the pool of auction items including autographed montages of Manchester United Football Club, Liverpool Football Club, European Tour leaders, and Ryders Cup players, together which raised over \$145,000 that will go into operational, educational, training and medical support for the beneficiaries.

With Christmas around the corner, the organizers together with Laguna National helped spread the festive joy by presenting 46 children at MINDSville@Napiri with their wish list of Christmas presents on Sunday, 21 December and treating them to a Christmas buffet lunch.

"Seeing the joy on the children's faces was priceless and I hope that everyone in their own capacity or as an organization will continue to contribute towards charity, and improve the lives of those around us who need help. I'll like to extend my sincere thanks on behalf of the organizing committee to our Chairman and Executive

Director, Mr Peter Kwee and Mr Kevin Kwee for their generous donations. Laguna National is pleased to be part of this meaningful event and look forward to doing more for our community.” said Mr Bradley Leahey, General Manager of Laguna National.
